

I support this petition and request the FCC maintain the suggested Morse requirements for General and Extra licenses. I believe the 5 wpm can remain for the General Class license, BUT, I feel that the FCC has DEGRADED the Extra Class license and those that have worked so hard to achieve that license. Also as a VE, Stop instant re-tests at VE sessions. I am a Morse Code operator, and a real Extra Class licensee, not an Extra lite, I have worked hard to help preserve Amateur Radio and what it has meant to thousands, PLEASE DON'T TURN IT INTO WHAT CITIZENS BAND HAS BECOME!!!!!!
